

## Drug Screening Procedure - What to expect!

- You will need to bring a government issued photo ID
- Allow 30 minutes for registration and the screening test
- You will be asked to remove coats, jackets, sweaters etc
- You will be asked to give a freshly voided urine sample which will be tested immediately
- The collector will check for:
  - Unexpected temperature
  - Unexpected volume
  - Unusual color
  - Presence of foreign objects or material
  - Tampering, adulteration, or substitution

**You will receive a certified record of your results before you leave the clinic.**
